

WEEK-END SHOT IN VENICE FOR THE CARNIVAL 2014

A two-day incentive tour

Great package thought for an incentive group during the Carnival period.

PROGRAMME

What follows is a tentative programme. As the time for this incentive is short, we suggest to arrive in the morning and leave in the evening of the following day.

Day 1

Upon the group arrival at the Marco Polo Venice Airport, meet & greet with our representative to help to be transferred to the selected hotel.

There will be 2 assistants to welcome you: one will be in charge of the luggage that will travel separately from the group to the hotel, the other one will stay with the group throughout the transfer to the hotel by private taxi boats.

As check in time is at 2.00pm, we would suggest a walking guided tour stopping your taxis in St. Mark's Square for a guided tour of the city centre. While strolling around the small Calle of Venice you will stop in a local restaurant for a 3-course typical lunch.

Check in at your hotel and some free time to relax and enjoy the city and the Carnival, just in time to go back to your hotel and dress you up in your costume to join a Ballet Mask Dinner.

You will reach this enchanting old Venetian Palace by private water taxi. Aperitif and dinner. Back to the hotel by water taxi.

Overnight.

Day 2

Check out your hotel. Luggage will be stored and managed by the luggage service directly from the hotel to the airport.

Private taxi boat transfer to the Old Venetian Dock where you will board a Pirate Ship and enjoy an enchanting cruise in the lagoon of Venice. You will see the St. Mark's basin, Le Vignole, Sant'Erasmus, the charming Murano Island, the home of the world-famous Murano Glass, the island of Torcello, and at the end, Burano, lace-making and fishing village with its multi-colored houses.

Back to Venice by mid afternoon just in time to board taxi boats and be transferred to the airport.
